

Brett Family

Like a few people on this forum I too am searching my family tree. I visited St Ceilia's last weekend searching for my decendants who had used lived in the village c.1800. Howeveer, I only found a very distant relative.

I wondered if anyone knows how I could gain access to the church burial records and who I would need to speak to.

I am looking for George Brett, who died in 1888 and his wife Eliza d. 1892 and John Brett and his wife Jane d. 1887

Any Information would be greatly appreciated.
