

## The BRACE family connection with village.

Does anyone have any information on the Brace family living in the Hadhams in 1700's and 1800's. Maybe there are grave stones at the churches showing names and dates? There could be descendants still living in the area.

Any feedback much appreciated.

there were a couple of different Brace Families in Hadham during w.w1 who lost a son. Herbert Brace, died 18/7/1916, the son of Charles and Mary Brace of Peacocks in Hadham. and another Brace, who was born in London and came to Hadham was William Edward Brace who was killed 31/10/1914.
